Summary: its just a poem that i don't know about?!?!?!

Dear good i have no clue!!!!!!!!!!

My knees start to shakE, When your in sight. My mind is filled with wounder, My heart with fright.

When will this feeling stop? When did it start? How can I listen to my mind, Without breaking my hearth?

I'm so confused. What should I do? I can't think of anything, Except you.

Should I ignore you, Or just give it time? I can't think straight, My hearth controls my mind.
